

12/3 Cable Assemblies

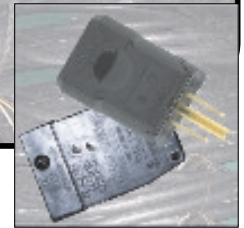

Edison Cable

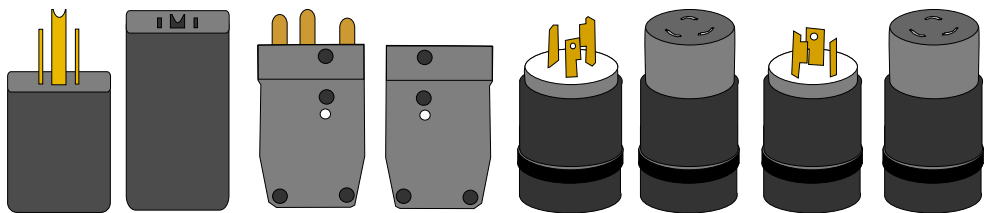

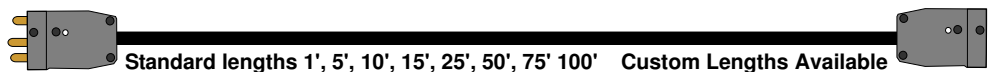

Stage Pin Cable

Twistlock Cable

Adaptor Cables

Rubberized cable is typically a 12/3 SJO (unless otherwise specified). Cable Lengths range from 12" (adaptors) to a variety of custom lengths.

Input/Output connectors range from industry standard U-ground, Duplex handybox, 2P&G Stage Pin connectors and a variety of 3pin twistlock devices.

Cables are labeled near output connector. Custom labeling using buyers company logo available at no additional charge.
