

## Fan Panels

All Fan Panel Assemblies use standard 3" or 4.5 inch square 120v fans. Assemblies are wired together with 36" leads unterminated. Fan assemblies include panel mounted handles. Rack screws included.

Stock panels are either a 2U (3.5"x19") or 3U (5.25"x19"). Panels are primer coated and top coated "Stain Black." Rack screws are included.
