www.DimmerRack.com Unique Items for the Audio & Lighting Professional

## SocaBrick

Unique output device using standard 19pin Multi Connector. Assemblies are wired in accordance with industry standard pinout. Multi Connectors utilize standard soldering joints with heat shrink tubing for safety.

Socabrack comes standard with six duplex outlets (one for each circuit), Circuit labels and mounting clamp. Rubberized soca cover is bolted to assembly. Corner guards protect device and add to overall cosmetic look.

Female output Pass thru connector available as an option.
